Finance for Growth Seminars

Are you a business looking for finance to grow but are uncertain of what sources would be right for you? If so, these FREE seminars are for you!

Enterprise M3, the Local Enterprise Partnership for the wider M3 corridor, is hosting two seminars aimed at helping businesses both understand and access new and established sources of business finance.

During these seminars, you will:

- Gain a valuable understanding of what you need to do to prepare for investment.
- Explore what types of finance are right for your business at this particular stage of its life cycle.
- Find out about the range of new and established sources of finance currently available to the market.

Sources of funding covered in the seminar include: **crowd funding** (debt & equity), **invoice financing**, **equity funding** such as venture capital and business angels and **export finance**.

Details of the seminars:

Date: Wednesday 6 February 2013

Time: 9 am to 12 noon (Registration from 8.45 am)
